ARMY STARTS ROLLING AGAIN

It beats Cornell in top game of a big football week

Last Saturday afternoon Americans forgot about major crises and turned to ones they could watch on hundreds of grassy 360- by 160-foot rectangles all across the land. They were more interested in Michigan vs. Minnesota, Princeton vs. Columbia, and Prairie View vs. Arkansas State than they were in Truman vs. Dewey or Vishinsky vs. Marshall.

CHARLES ALFONSO HINES, Ph.D.
PRESIDENT, PRAIRIE VIEW A&M UNIVERSITY

Dr. Charles A. Hines is the sixth President of Prairie View A&M University located in Prairie View, TX. He has held this position since November 21, 1994. Born and raised in our Nations capitol, Washington, DC, Dr. Hines joined the United States Army after graduating from Washington, DC's Dunbar High School. After serving in infantry and artillery units as an enlisted man, he was honorably discharged as a Sergeant in 1957 and immediately entered Howard University in Washington, DC. Upon graduation from Howard University with a Bachelor of Science degree and a Regular Army commission, Dr. Hines embarked on a 30 year career as a commissioned officer, retiring in 1992 with the rank of Major General. Dr. Hines served as an adjunct professor with the University of Maryland for 22 years.

Dr. Hines holds a Ph.D. from The Johns Hopkins University, a Master of Science from Michigan State University, and a Master of Military Arts and Sciences from the Commanding General Staff College. He has completed management development programs at the John F. Kennedy School of Government at Harvard University, as well as the University of Maryland. He is also a graduate of the FBI National Academy.

During his career as an Army officer, Dr. Hines has held many important command and staff assignments. As a Colonel, he served as Director, Women in the Army Policy Review Group. In that capacity, he was instrumental in exponentially expanding opportunities for women in the Army. As a general officer, he served as Director, Officer Personnel Management Division at the Pentagon; Director of Manpower, Budget and Force Integration; and finally as Commanding General, United States Army Military Police and Chemical Schools and Fort McClellan, Fort McClellan, AL.

Dr. Hines has dedicated much of his personnel, professional and academic life to equal opportunity, education and training, advancement of rights for women, face relations, and the development of youth. He has received numerous honors and awards. In 1992, he was inducted into the National Boys and Girls Club Hall of Fame. Most recently he was selected by the Southern Christian Leadership Conference as an Outstanding Black Man for 1994. He served as Director of Protection and Health Service for the Smithsonian Institution from August 1992 until he assumed his duties as the sixth President of Prairie View A&M University.

"PROUD PRODUCERS OF PRODUCTIVE PEOPLE"

Prairie View A&M University is the second oldest public institution of higher learning in the state of Texas, originating in the Texas Constitution of 1876 in an effort to impartially provide a school for African-Americans.

Originally named the "Agricultural and Mechanical College of Texas for Colored Youths," the school opened at Prairie View, Tex. on March 11, 1878 with eight students and two professors. Today, there are over 5,800 students enrolled.

The university is located approximately 40 miles northwest of Houston, Tex. and one mile north of Texas Highway 290 on Farm Road in Waller County. PVA&M is part of the Texas A&M University System and is a land-grant college authorized under the Morrill Acts of 1862 and 1890. It became a four-year college in 1919 and began a division of graduate studies in 1937.

PVA&M is organized for instruction into 10 major academic divisions, including the Benjamin Banneker College, the College of Agriculture, the College of Arts and Sciences, the College of Business, the College of Education, the College of Engineering, the College of Engineering Technology, the College of Home Economics, the College of Nursing (located in the Texas Medical Center Complex in Houston) and the Graduate School.

In 1968, PVA&M established the first Naval ROTC program at a predominately black institution and has commissioned nearly 200 officers since 1970. The Army ROTC has commissioned nearly 12,000 officers and has produced five generals. In 1984, PVA&M created the Benjamin Banneker Honors College, the first honors college established on a historically black college or university campus.

The College of Engineering and Architecture has consistently ranked among the top three in the nation in the graduation of black engineers. It graduates more black engineers than all other Texas engineering schools combined.

The mission and purposes of the university are derived from state and federal statutes providing for its establishment and support. It is designed as a general purpose institution offering a broad range of academic, research, public service and international affairs programs. As a land-grant school, PVA&M is especially committed to providing continuing training opportunities for students in agriculture, home economics, engineering and related branches of learning.

In addition to these general purposes, the university is charged with the responsibility to provide programs appropriate for special minority student populations and to assist in the economic and cultural development of small and medium-sized communities and business enterprises.

A succession of great leaders has helped shape the university throughout its history: L.W. Minor (1878-1879), E.H. Anderson (1879-1885), L.C. Anderson (1885-1895), Edward L. Blackshear (1895-1915), I.M. Terrell (1915-1918), J.G. Osborne (1918-1925), W.R. Banks (1926-1947), Edward B. Evans (1947-1966), J.M. Drew (1966), Alvin I. Thomas (1966-1982), Percy A. Pierre (1983-1989), and General Julius W. Becton, Jr. (1989-1994).

Dr. Charles A. Hines assumed the presidency of Prairie View A&M on November 23, 1994.

IN MANY COMPANIES
IT TAKES YEARS TO PROVE YOU'RE
MANAGEMENT MATERIAL...

WE'LL GIVE YOU 10 WEEKS.

Ten weeks may not seem like much time to prove you're capable of being a leader. But if you're tough, smart and determined, ten weeks and a lot of hard work could make you an Officer of Marines. And Officer Candidates School (OCS) is where you'll get the chance to prove you've got what it takes to lead a life full of excitement, full of challenge, full of honor. Anyone can say they've got what it takes to be a leader, we'll give you ten weeks to prove it. Call 1-800-MARINES for more information, or contact us on the Internet at: <http://www.hqmc.usmc.mil/recruit.htm>

Marines
The Few. The Proud. The Marines.

MARINE OFFICER

A free education and a guaranteed job after graduation!

An opportunity to become an officer in the US NAVY or US MARINE CORP!

It is easier and more rewarding than you ever imagined!

Scholarships are available if you are a US citizen, physically qualified and have at least a 2.5 GPA (other restrictions may apply).

ABILENE CHRISTIAN AT PRAIRIE VIEW

This game will be only the second meeting between the Prairie View Panthers and the Abilene Christian Wildcats. The Panthers, who hold the all-time, all-collegiate record for consecutive losses, continue their search for a win in hopes of snapping a 58 game losing streak. The Prairie View sidelines will be minus head coach Hensley Sapenter, Jr., who has been suspended as athletics director and head football coach pending an internal investigation involving the use of ineligible players in last week's game against Texas Southern.

THE LAST OUTINGS

Texas Southern 42, Prairie View 24.....Played at the Astrodome in Houston, Tex. before 30,369 fans, Labor Day Classic XII and the season-opener saw the TSU Tigers jump out to a 21-0 halftime lead as TSU quarterback Cedric Douglas passed for two scores and scored another TD himself in the opening half. The Tigers' margin increased to 28-0 in the third quarter before the PV Panthers scored on a Torrance Brooks 10-yard run with 53 seconds left in the period. In the fourth quarter, TSU added two quick scores, making the score 42-7 before the Panthers added a pair of touchdowns in the game's final six minutes and 11 seconds. The Tigers accumulated 515 yards of total offense (234 R, 281 P) while the Panthers were limited to 278 yards (116 R, 162 P).

New Mexico Highlands 32, Abilene Christian 20.... Played at

Shotwell Stadium before 6,000 fans, this game saw the ACU Wildcats have three punts blocked and commit three turnovers. New Mexico Highlands QB Jamie Sander threw for 352 yards and three TDs in an NCAA II non-conference football game. Sander's scoring tosses of 14 and 6 yards to Jamar Nailor and 53 yards to Eddrick White gave the Cowboys an early fourth quarter led of 30-2 before an ACU rally fell short. The Wildcats' first TD came on a school record 99-yard interception return by Stacy Brown. New Mexico Highlands rolled 420 yards of total offense (68 R, 352 P) while allowing the ACU Wildcats 221 (186 R, 35 P).

THE LAST MEETING

Abilene Christian 35, Prairie View 0....Played at Shotwell Stadium in Abilene, Texas before 4,800 fans, this non-conference clash saw the

ACU Wildcats up their season record to 2-0 while the Panthers lost for the 48th consecutive time. ACU led 28-0 at halftime and added a score in the third quarter. Teamwise, ACU registered 431 yards of total offense (352 R, 79 P) while PV accounted for 197 yards (71 R, 126 P).

THE LAST TIME

The last time Prairie View won a game was October 28, 1989 with a 21-12 homecoming win over Mississippi Valley. Since then, the Panthers have lost 58 consecutive games.

CLOSE CALLS

The closest the Panthers have come to a win since was in '92 against Southern University, a meeting which due to Mother Nature was stopped for an hour because of high winds, heavy rains and tornadoes in the area. At that time the Panthers were up

7-0, eventually losing 12-7 after play resumed.

Last season the Panthers' closest call toward victory came in a 13-2 loss to the Braves of Alcorn State. The Panthers managed to outgain the Braves in rushing yardage 143 to 109. The PV defense held Alcorn scoreless in the second half.

THE COACHES

On Monday, linebacker coach **Fred Freeman** was named interim head football coach. He replaces second-year head coach Hensley Sapenter, Jr., who was placed on suspension pending an investigation into the violation of NCAA and SWAC rules.

A 1966 graduate of Mississippi Valley State, Freeman enters his second stint as a Panther assistant.

The Waco, Texas native played two seasons of professional football with the New York Giants. In 1968, he entered the coaching profession as an assistant at George Washington Carver High School in Waco.

He has also held assistant post at Howard, Bowie State and Hampton. At the latter, he was head football coach from 1984-91. His teams compiled an overall record of 49-34-4. In 1985 he guided his team to a 10-1 record and a CIAA title. That same year Hampton received its first-ever NCAA II football playoff berth and Freeman was named CIAA coach of the year.

Jack Kiser is in his first season as head football coach at Abilene Christian University. For the past three seasons he served as defensive coordinator

for the Wildcats, including 1993 when they posted a 7-3 record and second place finish in the Lone Star Conference with the league's top-rated defense.

A 1971 graduate of ACU, he served as team captain and reaped all-Southland Conference and honorable mention all-America at defensive tackle. As a senior in 1970 he was also named all-Texas college for the nationally-ranked Wildcats (9-2) by the Fort Worth Star-Telegram.

He coached high school football in Palestine, Lockhart, Midland and Abilene before returning to ACU as a volunteer. Other coaching stints included the University of Texas in 1985 and from 1987-91, Texas Tech in 1986 and Southwest Texas State in 1992.

RADIO

Action on the PVAMU Sports network, KPVU-FM 91.3 in Prairie View, Texas, will be described by Charles Porter and Troy Curvey.

The Wildcat radio broadcast airs live on KACU-FM 89.7 in Abilene, Texas with David Bacon and Chuck Statler calling the action.

UP NEXT

Prairie View travels to Abilene, Texas for a 2:00 p.m. kickoff against Division III Hardin-Simmons on September 14.

The ACU Wildcats will have an open date before hosting Midwestern State in Abilene, Texas on September 21 at 6:00 p.m.

WHAT THEY HAVE TO SAY

Fred Freeman

Interim PV Head Football Coach

"We're not going to do anything differently from what has been installed by coach Sapenter. We'll just continue to carry on from where we were. We feel this is still his team although he's been suspended.

"The attitudes of the kids has been good. They haven't held their heads down because we try to teach them about adversity. We're just going to carry on what we know we can do and that's play football."

Josh Barnes

PV Quarterback

"We need to stay focused and believe in ourselves, we may not have equal talent but we can make it up in our hearts. We must believe that we can win. This is 1996, we have new players and this is another season. We can do it."

Torrance Brooks

PV Wide Receiver

"We just need to play a complete game. We need to play both halves against Abilene Christian like we played the second half against Texas Southern."

Jack Kiser

ACU Head Football Coach

"First games sometimes sneak up on you, and it happened to us. It was disappointing, but it will help us get better.

"We'll be a better team against Prairie View. I said this summer before we started we would develop slowly."

PRAIRIE VIEW A&M COACHES

SAPENTER HAPPY TO "GIVE BACK TO THE UNIVERSITY"

Hensley W. Sapenter, Jr. begins his second season as both athletics director and head football coach at Prairie View A&M University this fall. Both appointments were made on July 15, 1995.

A 1960 graduate of the Prairie View A&M's physical education program, Sapenter returned to the university after having served as the athletics director of the San Antonio (Texas) Independent School District, a position he had held for 19 years. When the positions opened up at PVA&M, he said he jumped at the chance to return to his alma mater.

"I'm glad to have an opportunity to give back to the university," said Sapenter. "The education that I received at Prairie View made it possible for me to have had the opportunities to teach and coach where I have. Everyone needs to give back."

Sapenter has held previous head football coaching positions on the high school level at Fox Tech High School in San Antonio (1970-72) and Austin County High School in Sealy, Texas (1960-61). He also served as the head track and field coach and as an assistant coach from 1961-70 at several Texas high schools. His track and field teams at Phylliss Wheatly High School in San Antonio won five district champi-

HENSLEY SAPENTER
Head Coach

onships, two state runner-up titles and the state 4A championship in 1969-70.

For both his leadership as a high school administrator and coach, Sapenter was honored by the sports editors of San Antonio as the defensive coordinator with the best units in 1967 and 1968 at Phylliss Wheatly. In 1967, he received the Texas State Congressional Black Caucus Award for athletics. He's responsible for starting the All-Academic All-District Athlete Selections in San Antonio.

A former linebacker and center at PVA&M, Sapenter was coached by the legendary Billy Nicks. During Sapenter's collegiate playing days, the Panthers compiled a record of 28-10-1, garnering both a Southwestern Athletic Conference and national championship in 1958. He was a three-year letterman, having earned honors as the team's most outstanding senior athlete in 1960. In 1995, he was inducted into the PVA&M Sports Hall of Fame.

Sapenter believes that his coaching style begins and ends with the influences of Nicks.

"I would like to have the same philosophy that was a part of the Prairie View tradition under Coach Nicks," said Sapenter. "It took more than being able to run well, catch well, block well and tackle well.

"Prairie View won national championships not only because of talented individuals, but because three main ingredients were mixed in as well — discipline, character and the right attitude," added Sapenter.

A native of San Antonio, Sapenter is married to the former Gatsy Moye'. The couple has two children, Tyrone and Ericka.

FULL-TIME ASSISTANT COACHES

DOUGLAS FOWLKES Defensive Line

A graduate of Central State, Fowlkes lettered in football and was an all-American wrestler for the Marauders. A former Texas Southern assistant, he came to PVA&M in 1984. He also coaches university's the tennis teams.

CLIFTON GILLIARD Running Backs

PVA&M's assistant men's track coach, Gilliard has worked for his alma mater since 1974. While enrolled at PVA&M, he was an All-SWAC half-back. Before joining the Panthers' staff, he worked in the Texas high school system for numerous years.

ROBERT ATKINS Receivers

A Grambling State alumnus and former 10-year pro with both the St. Louis Cardinals and Houston Oilers, Atkins came to Prairie View in 1980. For the past 11 years, he has also served as the university's head women's basketball coach.

FRED FREEMAN Linebackers

Freeman is a 1966 Mississippi Valley graduate who's in his second season as a PVA&M assistant coach. The Waco, Tex. native played professionally with the New York Giants and from 1984-91 served as head coach at Hampton. He guided HU to a 10-1 record and a CIAA title in 1985.

STEPHEN WIGGINS Defensive Backs

This is Wiggins' second season at PVA&M, where he was a standout defensive back from 1986-87. He earned defensive co-MVP honors during his senior season and went on to play professionally with the Saskatchewan Roughriders of the CFL for four seasons.

PRAIRIE VIEW SEASON PREVIEW

PANTHERS LOOK TO PUT END TO RECORD SKID

The return of 28 lettermen, including 14 starters, are back to help end the Prairie View A&M University football program's dubious distinction of losing 57 straight games, the most ever by any team on the collegiate level. Not since October 31, 1989, when the Panthers defeated Mississippi Valley State 21-12, has the team experienced the thrill of victory.

Since that last win, Prairie View A&M discontinued play for one season, then returned to action without any of its players on athletic scholarships. That practice has ended, and for the first time since 1989, the school will award athletic scholarships.

"Because of financial constraints, we will only have the minimum number of scholarships allowed by the NCAA," said second-year head coach and athletics director Hensley Sapenter Jr. "No one should expect us to tear up the world because of 15 scholarships. Hopefully, we'll do better this year, merely from the standpoint that I personally had an opportunity to conduct a spring practice."

Offensively, Sapenter believes that the receivers are his most talented and experienced group of players.

"The receiving corps should be our strongest suit," he said. "They're a group that has played together and has been here the longest. They have the most experience when it comes to playing time."

Torrance Brooks (5-7, 155, Sr.) and Kevin Owens (5-9, 166, Sr.), the team's top two receivers, are back. Last season, Brooks made 34 catches for 430 yards but amazingly no touchdowns. Owens had 18 catches for 316 yards and two touchdowns. Owens' twin brother, Kerwin, was fourth on the team with 10 catches for 242 yards and two touchdowns. Brooks also doubles as both a punt and kickoff returner.

The greatest concern for Sapenter and his staff is the offensive line, where three starters have departed. Leading a group of youngsters are veterans Christopher Reed (6-4, 350, Sr.) and Emory Davis (5-11, 290, Sr.).

Reginald Prudhomme returns at the quarterback slot, where he was the lone SWAC starting passer to total less than 1,000 yards on the season. He completed 71 of 148 passes for 963 yards in 11 games with 11 interceptions and three touchdown throws.

The secondary represents the anchor of the PVA&M defense, paced by Greg Bell (5-10, 165, Sr.), who made 19 tackles and had three interceptions in 1995. He'll be joined by Michael Patterson (5-9, 165, Sr.) and Kenneth Martin (6-1, 190, Jr.). Last year, Patterson had three interceptions to go with

Greg Bell
Defensive Back

Torrance Brooks
Wide Receiver

Kotto Forward
Running Back

Kenneth Martin
Defensive Back

Michael Patterson
Defensive Back

Michael Porter
Running Back

Christopher Reed
Offensive Line

his 54 tackles. Martin garnered 18 tackles and three pass breakups.

At the linebacking slot, Otis Myles, SWAC's second-leading tackler last season with 112, is gone, leaving the duties to Lamont Robbins (5-10, 225, Jr.) and Joseph Crumbly (6-3, 235, So.). Robbins was the team's third-leading tackler last season with 61, and Crumbly finished eighth with 38.

The defensive line will be suspect with no returning starters.

For now, both the placekicking and punting chores look like a two-man affair. Nsikan Udoyen (5-9, 169, So.) is back after going 1-for-2 in field goal tries and 1-for-1 in PAT attempts last season. He'll receive assistance from Chris Brown (5-8, 230, So.).

While it's a little clearer as to who'll be the

starting placekicker, just who'll get the top punting job is still questionable. DeCedric Giron 6-1, 185, Jr.) handled most of the work last season, punting 45 times for 1,508 yards and a 33.5 average. The other person who'll compete for the starting nod is Kotto Forward (5-7, 165, Jr.).

Overall, Sapenter believes that the Panthers' first scholarship-recruiting season was a good one. He hopes that what the new recruits learn on the collegiate level will help the Panthers end their losing streak.

"Our newcomers look good on paper," said Sapenter. "We have some talented people at the skilled positions, but we're not sure what we can expect from each of them on this level of competition."
